

Graduate School of Education Tohoku University

Webinar Series 2020 Transforming Education in the Era of New Normal Experiences and Prospects in Asia-Pacific

Webinar 1:

Transforming Higher Education in the Era of New Normal: Responses and Prospects

Moderator:

Mr. Jing Liu, Associate Professor, Graduate School of Education, Tohoku University

Saturday, 20 June, 2020, 14:30-17:00
Japan Standard Time (JST), UTC +9

This Webinar aims to invite scholars from universities in East Asia to share their experiences in responding to make changes in higher education in and after the COVID-19 pandemic. Also, presenters in this session are invited to share their insight on transformation of teaching, learning, research, community engagement, and university governance in the Era of New Normal.
