

Second-year students of the Faculty of Education

Survey regarding your preferred academic advisor

*You have to make contact with some faculty members you prefer by e-mail in advance and have an online meeting and such with them. Please note that contact with more than one faculty member is must because not all students can take their first-choice advisors' courses.

*Both students of Education and Educational Psychology can choose one of the faculty members of Educational Informatics and Innovative Assessment as your academic advisor. (Contact and consultation period: December 17th(Wed), 2025)

Deadline: 5p.m. 18th December (Thu), 2025

Submission method: **Google form as below**
