

Finduddannelse.dk sustainability scholarship

finduddannelse.dk is a Danish platform for lifelong learning. We believe that the students of today, through their research and future job placements can help shape the world of tomorrow in a positive way - and we want to help them on their way!

That's why we're offering a scholarship of up to €5000 to help cover your tuition fees and get you one step closer to your, hopefully, world-changing vocation.

Finduddannelse.dk sustainability scholarship will be awarded for the fall/autumn semester of 2021 and is open to people from anywhere in the world who want to study a master's program that is helping you making the world more sustainable. We believe in making the world a more sustainable place and we want to help others who share our dream.
